FreeTrade Stand - Details

Please return completed form to Shows-UK.com at the address shown below.

Please be certain that you have indicated above which of the events it is you wish to attend.

We have removed the absolute requirement to purchase tickets in advance.

Our standard arrangement is for all traders (Which excludes food and drink caterers) to be provided with trade pitch for free. You will be expected to buy event tickets however, for each person manning your stand, either in advance (cheaper) or at the gate, for each person staffing your stand.

Trade spaces may be restricted, as we do not 'oversubscribe' trade space. Levels are appropriate to expected attendance. We will do all we can to facilitate an enjoyable and profitable weekend, and if you have any promotion or offers to promote, offer free 'Ads' over the PA during the show. Give us a script, and we'll see it gets regular plugs.
